Sturgeon Spearing Licenses

Motion:

Move to prohibit the issuance of a sturgeon spearing license beginning on the October 1 preceding the open season and ending on the last day of the season. Exempt residents who turn 14 years old during the non-issuance period and residents who are in the armed forces outside the state and who are on furlough or leave from this non-issuance period. The provision would take effect on the September 1 after publication of the Act.

Same  
as  
2001 AB 251

---

Note:

Under current law, a sturgeon spearing license may not be issued during the open season for spearing rock or lake sturgeon. The open season is currently set by DNR administrative rule to begin on the second Saturday in February and to continue for 16 consecutive days.
